Chamber of Commerce to Wage Publicity Campaign for Fruit Market

C. OF C. HAS ENTHUSIASTIC MEETING

DIRECTORATE IS ENLARGED TO FIFTEEN

The Comanche Chamber of Commerce in one of the most enthusiastic meetings ever held, Wednesday elected directors following an interesting program.

Addresses were made by H. Burks and Judge E. M. Davis of Brownwood. Mr. Burks discussed for the most part the highway opportunity, and Judge E. M. Davis discussed, "What Is the Matter with a Town and How to Help It."

All business houses were closed from 10 to 11 o'clock that every one might attend the meeting. Music was furnished by the Comanche Band.

Following the talks of Mr. Burks and Judge Davis the following directors were chosen:

M. Coleman, P. Tate, Wm. Chilton, J. R. Eanes, E. E. Anthony, T. J. Williams, N. N. Durham, H. Shoemaker, W. M. Durham, D. M. Brightman, W. H. Carpenter, W. T. House, J. B. Alcorn, Gary Dudley, Jim Moody

Mrs. T. A. Barnes and children are spending the week in Baird visiting her sister, Mrs. M. D. McElroy.

GREYHOUNDS IN LEAD IN LEAGUE

The greyhounds Tuesday played into the lead in the Boll Weevil game. The Lobos and Wildcats being tied for last place. Thursday the Greyhounds beat Lobos 9 to 6, Evans pitching for the winner and Carpenter for the loser. Friday the Jack Rabbits a closely played game beat the Wild cats 4 to 2. Carr winning over Morris. Monday, Butler with the Greyhounds beat Moody with the Wildcat 8 to 5. Tuesday the Lobos beat the Jack Rabbits 15 to 4 in the wildest game of the season. Carpenter won over Gilbreath.

WILL ADD NEW DRIVE IN STATION

Work has begun on remodeling the Brightman Building on the Northwest corner of square, converting it into a modern drive-in filling station.

The station, according to Mr. Brightman, will be modern in every detail and the rear part of the building will be made into a show room which will be occupied by Brightman Brothers, Whippet dealers.

The contract has been let to Carl Stevens, contractor of Methodist Church and will be pushed to completion, according to Mr. Stevens.

Mrs. Floy Young of Stephenville is visiting Mrs. R. K. Shelton.

T. B. COW TEST NEW ORDINANCE

The City Council at its regular meeting Monday, passed an ordinance requiring that every person selling milk or dairy products within the City of Comanche, must have all their cows tested for tuberculosis and remove from their herd cows showing symptoms of the disease, the ordinance to be effective after July 23.

The provision of the ordinance not only includes the dairies but also where milk or butter is sold in any quantity, however small, even from one neighbor to another.

Information about the procedure of getting the cows tested can be obtained at the City Hall or from the county agent, Mayor Eanes said.

FIRST TALKIES HERE NEXT WEEK

Comanche's first vitaphone picture will be given at the Majestic Theatre next Mon., Tues., and Wed, according to Messrs. Caver and Tate, Proprietors of Comanche's picture house.

Mon., Tues., and Wed. picture will be "Hot Stuff" featuring Alice White. Robert S. Carr, the young novelist who broke into attention as author of "The Rampant Age," a story of the modern city high schools that shocked and yet convinced with its realism and authentic atmosphere, also wrote "Hot Stuff" another college romance which comes to the Majestic Theatre, next Monday and Tuesday with Alice White as its star. Also in the cast are Louise Fazenda, William Bakewell, Ben Hall and Doris Dawson.

Out of a background of home spun carpets, horse-hair sofas and corner what nots, Alice White, as Babs, goes to college. Once on the campus she forgets her simple foundation, apparently, and dons a mask of modernity and sophistication that stalks through college halls and around fraternity rows wherever these are found.

The setting and story of "Hot Stuff" will likewise be recognized as fair and correct pictures of American college life, in this age of fast thinking.

MAGNOLIA BUILDS NEW STATION HERE

The Magnolia Petroleum Company will erect a modern filling station on the Mrs. Dora Greene lot just east of the Post Office according to E. R. Armstrong, local agent for the company, who said that a deal for leasing the lot was closed last week.

Work of clearing away the rubbish from the lot was started Friday and construction will start on the new building as soon as this is completed, Mr. Armstrong stated.

The building will be modern in every respect, according to Mr. Armstrong, who said it would be a brick of octagon shape with an extension roof with the driveway extending entirely around the station and four pumps placed at convenient points.

CALL MEETING FRUIT GROWERS SAT. JUNE 15

A meeting of the peach growers of Comanche County is called for 3:00 o'clock Saturday afternoon, June 15, in the District Court room at Comanche, according to J. A. Barton, County Agent and the Secretary of Chamber of Commerce, who urge the attendance of every peach grower in the county.

The county is confronted with an overproduction of peaches and already there are growers who find themselves unable to sell their fruit and the growers face a demoralized market.

It is the purpose of this meeting, according to those calling it, to take steps to handle the crop so as to prevent a loss to the growers and in view of this they urge the attendance of every fruit grower in the county.

FIRST GRAIN OF SEASON SHIPPED

With the heaviest yield of oats promised in years, the first car was shipped out of Comanche Saturday by J. V. Carter, local buyer, who said that a bumper crop was in sight according to farmers.

New wheat began arriving in Comanche Monday when three cars were being loaded by Higginbotham. Mr. St. Clair, buyer for the firm said that the date was unusually early for wheat and that the farmers were reporting a big yield.

Walter Barrett and Tom Sliger were among the first to market wheat.

BAPTIST REVIVAL STARTS SUNDAY

A one week revival will begin Sunday at the Baptist Church, according to Rev. Gordon Barrett, pastor.

Rev. Barrett will soon do his own preaching and the song services will be directed by Joe Trussell, evangelistic singer of Brownwood. Rev. Barrett stated.

Two services will be held daily, at ten and eight o'clock.

From Field To Table In Twenty-six Minutes

Twenty-six minutes from wheat to biscuits is the record made last week by J. P. Hoff of the Comanche Milling Co.

Getting the wheat from a combine on the Walter Barrett farm it took Mr. Hoff 16 minutes to get to Comanche, 4 minutes to make the wheat into flour and it took Mrs. Hoff 6 minutes to turn the flour into as good biscuits as man ever ate.

From field to table in so short a time, Mr. Hoff believes is a record.

Buy some of this cheap wheat and leave it at the mill for flour and save money. We also give flour for barley, oats, and corn and guarantee the flour to give satisfaction. Comanche Milling Co.

BERRY PLANT CLOSES SEASON ON MONDAY

The Comanche Berry Plant closed its season Monday, having canned 3 cars of berries, the first car of which was shipped from Comanche last week to wholesalers in Amarillo. The number of berries produced this year was below expectation, Mr. Bowdoin said, due partly to hail and partly to the wet weather which prevented smaller growers from profitably marketing their berries. One hundred fifty acres, Mr. Bowdoin said, normally should have produced some 6 cars; as it was only 3 cars were packed.

Further discussing the berry situation, Mr. Bowdoin said that 500 acres of berries would be required to profitably operate a plant. He pointed out that the present equipment could handle 30 cars in a season and that the overhead, such as insurance, labor, that had to be hired for a full time and similar expenses would be no greater on a ten car pack for the season than it was on the 3.

Further discussing the necessity of planting a more satisfactory berry Mr. Bowdoin said that he was not urging the growers to destroy their acreage of the present berry but that in planting the additional acreage, he urged the necessity of planting the Lawton berry.

If the acreage is increased enough to justify the continued operation of the plant, Mr. Bowdoin said that the plant would take care of all the berries produced until new acreage comes into bearing.

At the proper time Mr. Bowdoin says he will make an announcement as to the berry plants for the farmers to put out this fall and for which the Chamber of Commerce will undertake an extensive campaign.

METHODISTS LAY CORNER STONE

Impressive ceremonies marked the laying of the cornerstone of the new Methodist Church building Tuesday evening at 5 o'clock when services for that purpose were held.

Rev. R. J. LaPrade, pastor, was in charge of the services which were attended by a large number of the members of the congregation and friends. Rev. C. C. Klingman made the principal address.

Among the articles placed in the stone were a Bible which Rev. LaPrade had been using since he entered the ministry, a copy of the Texas Christian Advocate, and the Missionary Voice.

TO INCREASE SELLING FIELD

The Chamber of Commerce will advertise Comanche fruit throughout West Texas, according to statement of the president and secretary of that organization. The county's fruit crop is the heaviest in years, especially the Elberta and the grape crop.

The Chamber of Commerce in order to bring truckmen to Comanche will place advertisements in newspapers throughout West Texas, advertising not only the fruit but the proposed fruit sale which will be held on Monday July 1st.

PEERLESS TO BUY SWEET CREAM

A sweet cream market will be continued in Comanche according to a statement of Bob Cox, Manager of the Peerless Produce Co. who will begin buying sweet cream Monday June 17th.

The sweet cream will be bought for the Shaw Bros. of Fort Worth and with the coming of cool weather Mr. Cox says it is their intention to buy whole milk.

The Peerless Cream and Produce Co. is rearranging their plant, putting in a concrete floor and installing machinery to more efficiently handle their product and will not be ready before Monday, Mr. Cox stated.

The sweet cream and milk business for Comanche has grown to major proportions. Mr. Cox announcement will be of interest to the producers.

WOLF DAMAGE ON INCREASE

Wolves are becoming more numerous in the vicinity of Comanche and are showing increased damage among sheep and poultry, according to reports of farmers and ranchmen.

Thursday of last week, a wolf jumped the seven foot fence into Ed Ligon's sheep pasture and killed two ewe lambs and later in the same day a number of turkeys were killed by a wolf in the Sweetwater community.

Farmers near "Sulphur Hole" report that a wolf on three consecutive days last week visited that community, killing a number of hens and turkeys.

Comanche county is now without the service of a government trapper, Joe Baker, former trapper now being employed in Mills County.

Miss Hazel Batton left last week to spend three months in West Texas State Teachers College at Canyon.

SHIPMENT OF SEVEN CARS IN COMANCHE'S FIRST WOOL SALE

Seven cars of wool were shipped from Comanche Monday, Tuesday and Wednesday, six of which represented the wool pooled by Comanche growers and sold to L. D. Ater and Son of Bertram.

The wool was shipped via Cotton Belt to Galveston and by Mallory steamship line to Boston.

The seven cars contained approximately 200,000 pounds and brought the growers some \$60,000.00 bringing 30c and 31c for most of the wool.

The wool as a whole is of excellent quality, Mr. Ater said, especially the larger clips but there was a little heavier per cent of bad wool from the smaller clips due probably to lack of knowledge on the part of the growers as to how to best handle their flocks, Mr. Ater said. Needle grass, burrs, dirt and wet wool caused a number of clips to suffer heavy

TO INTEREST BUYERS OVER WIDE SECTION

A fruit sale will be staged in connection with the fruit show held on Monday July 1, according to the announcement of those in charge of the fruit show.

Buyers and truck men from over West Texas will be invited to attend the show and make contracts for peaches, grapes and such other fruit as they may want.

An intensive advertising campaign will be engaged in by the Chamber of Commerce in an effort to bring buyers here and it is expected that some 25 to 50 buyers will be here that time to locate fruit to be sold later.

The Elberta crop which is the largest acreage in the County will just begin moving and it is hoped in this sale to enable the growers to contract for most of this class of their fruit as well as grapes which will just be coming on.

Growers who have fruit to sell should arrange to have samples and displays at the fruit show so that they can give the buyers an intelligent idea of what they will have to offer. Those desiring to make display are asked to get in touch with County Agent J. A. Barton so that plans can be made for their display.

GROWERS URGED TO LIST FRUIT

The Chamber of Commerce in order to assist the fruit growers of this county asks every person who has fruit which they hope to sell to truck men to list with us what you have to offer.

Truck men are continually coming here looking for fruit and we will send them to you if we know what you have so we can send them to the ones who have what they want.

The Chamber of Commerce is extensively advertising in West Texas the Comanche County fruit, urging them to come for it and when they come we would like to know to whom to send them.

Your co-operation is asked and, of course, there is no charge for this service.

Chamber of Commerce.

THE STATE OF TEXAS

To the Sheriff or any Constable of Comanche County, Greeting:

You are hereby commanded that by making publication of this Citation in some newspaper published in the county of Comanche for four consecutive weeks previous to the return day hereof (same being 42 days after date of issuance hereof), the first publication thereof to appear within 12 days from the date of issuance hereof, you summon Leon H. Ziolkowski, Anton Ziolkowski, and the United States Petroleum Corporation, a corporation, who are non-residents of the State of Texas to be and appear before the District Court of Tarrant County, Texas, 96th Judicial District, at the Court House in the City of Fort Worth, on the Monday next following the expiration of forty-two (42) days from date of the issuance of this citation, said Monday being the 8th day of July A. D. 1929, and then and there to answer, at or before ten o'clock a. m., the original petition of A. J. Brown, individually, and A. J. Brown, as Receiver of the Christmas Oil Corporation, a corporation, and of the Burton Christmas Corporation, a corporation, as plaintiffs filed in said court on the 23rd day of May A. D. 1929,

against Leon Ziolkowski, Anton Ziolkowski, and the United States Petroleum Corporation, a corporation, as defendants, said suit being numbered 83603 the nature of which demand is as follows: to-wit:

That Plaintiff A. J. Brown, individually, owns an undivided one-half interest, and plaintiff as Receiver as aforesaid, owns the other one-half undivided interest in the following lease and leasehold, being an oil and gas mining lease situated in Comanche County, Texas, covering the West 80 acres of the south 158 1-2 acres, of the North one-half of Section No. 1, patented to M. A. Balcolm, assignee of Beaty, Seal and Forwood, together with all property used in connection of the operation of said lease. Said lease being more fully described in plaintiff's petition to which reference is hereby made. That said lease is the West 80 acres of said South 158 1-2 acres, which was leased for oil and gas by T. H. Jackson and wife Julia A. Jackson to A. F. Hennessey, by lease dated November 1st, 1918, and is now and was on October 1st, 1928, producing oil in paying quantities, that on said date defendants unlawfully entered upon said lease and are withholding the same from plaintiffs to their damage in the sum of \$5000.00. That the defendant United States Petroleum Corporation, was the owner of said lease prior to April 26th, 1923, and duly executed its mortgage to the co-defendant Anton Ziolkowski, to secure him in the payment of its note in the sum of \$25,477.23, of date April 26, 1923, that on and prior to February 12, 1924 the said Anton Ziolkowski, duly assigned said note and mortgage to defendant Leon H. Ziolkowski, that to further secure the aforesaid note, the said United States Petroleum Corporation executed its deed of trust, of said date, to Leon H. Ziolkowski as Trustee, conveying to him the aforesaid 80 acres of land, that thereafter on November 23, 1925, the said Leon H. Ziolkowski by an assignment attempted to convey to Oscar Brown the said lease, and by mutual mistake described the lease and leasehold as being the North 80 acres of said South 158 1-2 acres of North one-half of said Section No. 1, thereby casting a cloud upon the plaintiffs title. Wherefore Plaintiff prays for judgment for their damages, removing of said cloud, title and general relief.

Witness R. E. Neely, Clerk of the District Court of Tarrant County. Given under my hand and seal of said Court in Ft. Worth, this 23rd day of May A. D. 1929.

An Oklahoma Mother Says:

"BLACK-DRAUGHT is a fine medicine to give to children. I use it for mine whenever I need to give them a laxative. They don't mind taking it when I make it into a tea, and it quickly relieves constipation and the bad symptoms which come from it. I can recommend it to other mothers, for I have found it useful in my home."

"When I was a child my mother gave it to me whenever I complained of not feeling well. I have always taken it for upset stomach and constipation. It is about the only medicine I have to take. A few doses of Black-Draught, now and then, keep my system in order. My husband takes it, too. I hardly see how I could keep house without Black-Draught. It has become a standby with us, in keeping the children and ourselves well."—Mrs. Luther Brassfield, Claremore, Okla.

AN ORDINANCE

defining dairy or dairy farm, and requiring an examination and test of cows kept on dairy or dairy farm for tuberculosis, fixing penalty for violation thereof, and declaring an emergency.

Be it enacted by the City Council of the City of Comanche, Texas: FIRST. That a dairy or dairy farm is any place or premises where one or more cows are kept, a part or all of the milk or milk products from which is sold or delivered to any person, firm, or corporation. This section shall not be construed to include what is generally known as "family cows".

SECOND. A physical examination and tuberculin test of all cows kept for dairy purposes on a dairy or dairy farm shall be made before any milk therefrom is sold, and at least once every twelve months thereafter by a veterinarian approved by the health officer or by the State Livestock sanitary authority, and said tests shall be made, and any reactors disposed of, in accordance with the current requirements approved by the United States Bureau of Animal Industry for accredited herds.

A certificate signed by the veterinarian and filed with the health officer shall be the only valid evidence of the above test. Every diseased animal shall be removed from the herd at once and no milk from diseased cows shall be offered for sale. All reacting animals shall be isolated at once and immediately excluded from the premises. All animals failing to pass the T. B. test shall be branded "T" or "TB" on the shoulder, hip, or jaw and removed at once and slaughtered under the direction of the health officer. Each letter in the brand shall be not less than two inches high and one-half inches wide.

SECTION THREE. Any person, firm, association, or corporation who shall violate any provision of this ordinance shall be fined not more than one hundred (\$100.00) dollars.

SECTION FOUR. The fact that there is no law within the City of Comanche requiring that cows be tested for tuberculosis before milk therefrom shall be sold and the importance of same creates an emergency and an imperative necessity that the rule requiring ordinances to be read on three several days be and the same is hereby suspended and that this ordinance be in effect thirty days from and after its publication and it is so enacted.

Passed this 10th day of June, A.D. 1929.—J. R. EANES, Mayor, City of Comanche, Texas: Attest—C. M. Moore, Secy., Comanche, Tex.

Telephone Efficiency--

WHEN IS AN INCH EQUIVALENT TO FOUR MILES?

—The answer is, when a telephone user, attempting to carry on a conversation, holds his or her mouth away from the transmitter.

When you place your lips at an angle to the mouth-piece or talk away from it, you thereby push your listener miles away from you.

Therefore, TALK DIRECTLY INTO THE TELEPHONE TRANSMITTER at a distance of not more than one-half inch, using a clear, moderate tone.

COMANCHE'S DEPENDABLE STORE

NOTICE

OF TRUSTEE'S SALE
Whereas, J. D. Pierce and wife, Nancy Pierce, of Comanche County, Texas, did on the 1st day of February, 1925, by their certain Deed of Trust of that date sell to Louis Breiling, Trustee for the Union Central Life Insurance Company of Cincinnati, Ohio, beneficiary, a certain tract or parcel of land situated in Comanche County, Texas, and described as follows:
Being the North-west 1-4 of Sec. No. 22, Block No. 2 H & T. C. Ry. Co. Pat. No. 470, Vol. No. 49, Abst. No. 2070, beginning at a stake for the North-west corner of the South-west 1-4 of said section No. 22 from which a black-jack marked X bears South 17 1-2 East 8 5-10 vrs. for the South-west corner of this tract;
Thence North 970 vrs to a stake for the North-west cor of said Section No. 22, and North-west corner of this tract, old bearings destroyed;
Thence East 942 vrs. to a stone in ground for the north-west corner of the North-East 1-4 of Sec. No. 22 for N. E. Cor. of this tract;
Thence South 970 vrs. to a stone in the ground for the S. W. Cor. of said North-East 1-4 and South East corner of this tract;
Thence West 942 vrs. to the place of beginning, containing 162 acres of land bearings marked X; Which said land is fully described in the aforesaid Deed of Trust which is recorded in the Deed of Trust Records of Comanche County, Texas, in Volume 38, page 130 to which reference is here made for full description of said land and the conditions of said Deed of Trust.

Whereas said Deed of Trust was given to secure the said Union Central Life Insurance Company in the payment of several certain notes executed by the said J. D. Pierce at De Leon, Texas payable to the said Union Central Life Insurance Company at Cincinnati, Ohio, the principal note being for the sum of \$1400.00 dated February 1st, 1925 and payable February 1st, 1926 with interest thereon at the rate of eight per cent per annum from date, payable on February 1st of each year until maturity and ten per cent per annum after maturity until paid, providing for a reasonable attorney's fee if placed in the hands of an attorney for collection, and the remaining notes being interest notes attached to said principal note representing interest from date to maturity, said principal note and the attached interest notes providing that if any installment of interest be not paid at maturity, then the principal note and all interest accrued thereon should without notice and at the option of the holder of said notes mature and be collectable at once, and said notes representing the purchase money for said land;

Whereas, said deed of trust further provided that if default should be made in the payment of said notes or any of them or any installment of interest on said principal note when the same became due and payable, then said notes, together with all accrued interest should at the option of said Union Central Life Insurance Company become at once due and payable, without notice, and the said Trustee, or his successor, should be authorized and empowered, when requested so to do by the holders of said notes or any of them, after such default, to sell said property at public auction for cash, between the hours of Ten o'clock a. m. and Four o'clock p. m. on the first Tuesday in any month at the Court House door in the City of Comanche, in Comanche County, Texas, after having given notice of the time and place of such sale as required by law and after such sale to make to the purchaser thereunder a good and sufficient deed in fee simple to said property, with the usual covenants and warranties;

Whereas said deed of trust further provided that if the Trustee therein named should fail or refuse to act or be disqualified or prevented from acting, that the holder of said indebtedness thereby secured might without formality and by a simple designation in writing, appoint a substitute trustee who should thereupon succeed to the estate, rights, powers and duties therein granted to said trustee;

Whereas the trustee named in said deed of trust viz: Louis Breiling, is unable to act as trustee under said deed of trust, therefore, the said Union Central Life Insurance Company has in writing duly recorded in the deed records of Comanche County, Texas appointed and designated Tom F. Reese as substitute trustee, and the said Tom F. Reese has accepted such trust and thereby succeeded to all the rights powers and duties conveyed by such deed of trust; and

Whereas, default has been made in the payment of said interest due Feb 1, 1928 and Feb 1, 1929 amounting in the aggregate to the sum of \$255.92 by reason thereof and as provided in said notes and said deed of trust, the Union Central Life Insurance Company, the owner and holder of said notes and indebtedness, has declared all of said indebtedness immediately due and matured, and has requested me, as substitute trustee to execute the terms of said deed of trust and advertise and sell said property to satisfy the total amount of said indebtedness.

Now, therefore, NOTICE is hereby given that I, Tom F. Reese, Substitute Trustee, in virtue of said deed of trust aforesaid, will on Tuesday, July 2nd, 1929, the same being the first Tuesday in July, 1929, between the hours of Ten o'clock a. m. and Four o'clock p. m. at the door of the County Court House in the town of Comanche, Comanche Co. Texas sell to the highest bidder for cash the above described property, and for that purpose do hereby give notice by posting a copy of the same at the door of the Court House in Comanche, Comanche County, Texas and also two other public places in Comanche County, Texas and by mailing a copy of the said notice to the makers of said indebtedness, and others,

and by publishing a copy of this notice in the Comanche Chief, a newspaper of general circulation, published in Comanche County, Texas, regularly and continuously for a period of not less than one year prior hereto, for a period of three weeks; said sale to be made for the satisfaction of said indebtedness, in accordance with the terms of said deed of trust and in virtue of the premises.

Witness my hand at Comanche, Comanche County, Texas, this 1st day of June, 1929.

TOM F. REESE,
Substitute Trustee.

said real estate and said personal property having been by me levied on as property of the Nebraska Oil and Gas Association, a joint stock company, on May 14th, 1929, to satisfy a judgment amounting to \$700 in favor of R. H. Marshall, with 6 percent interest from April 23rd, 1929, and costs of suit.

GIVEN UNDER MY HAND, this 1st day of June, A. D. 1929.

J. T. Gilbreath, Sheriff

A Great Discovery

When Pasteur discovered, in 1852, that the infection of wounds was caused by malignant bacteria, he performed a service of inestimable value to mankind. Since then medical science has been producing better and better antiseptics, to kill these germs that may enter the smallest cut and give us diseases such as typhoid, tuberculosis and lockjaw. Now, all you have to do to be sure that these dreadful germs will not infect a wound, is to wash with Liquid Borozone, the modern antiseptic. You can get Liquid Borozone, in a size to fit your needs and purse, from

LIGON GETS RECORD SHEEP CLIP

Wool clipped from Ed Ligon's ewes sets a record in this part of Texas for quality, according to Mr. Alter of Alter and Son of Bertram who bought the Comanche wool pool last Saturday. The fleece from Mr. Ligon's sheep averages close to five inches in length, is almost entirely free from dirt and has almost exactly the ideal color, according to Mr. Alter. A fleece from one of the ewes was expressed by Mr. Alter to Boston where it will be put on exhibit in the wool market of that city.

The fact that the fleece was taken from eighteen old ewe lambs which have been kept fat and in a healthy condition, together with the class of the sheep accounts mostly for the quality of the wool according to Mr. Alter and frequent rains this spring have kept practically all the dirt washed from the wool, giving it the desired color, Mr. Logan said.

Not only is the quality of the wool above the average but the yield is also setting a near record for ewe lambs which are averaging slightly in excess of ten pounds per fleece.

The wool was sold in the Comanche pool for thirty two cents per pound or an average of \$3.20 per sheep, making the clip from his flock of sixteen hundred bring slightly in excess of five thousand dollars.

Mr. Ligon's flock is considered one of the best among range sheep in this section, according to sheep men.

SCHOOL ITEMS

Four persons took the teachers examinations at the County Superintendent's office Friday and Saturday, two applying for elementary certificates and two for high school certificates.

Miss Winnie Faye Arendall of Stephenville has been elected teacher of English and Home Economics at Sidney and will also serve as coach of girls' athletics.

SIDNEY

Mrs. Jeff Kelley of Los Angeles, California, Mr. and Mrs. Otis King and family of Weslaco, Texas, Mr. Lonny Cantrell of Brownwood, Mrs. Julia Chansler of San Antonio and Mr. and Mrs. Riley Cantrell of Plainview all visited their relatives, Mr. and Mrs. Jim Adams and family of Sidney last week.

SHOWER FOR MISS KILPATRICK

Brides usually hold the social spotlight—so Miss Ruth Kilpatrick held the center place in the calendar of the week.

Beginning with the beautifully appointed luncheon on Tuesday given by Mrs. Howard Kilpatrick to announce the wedding of Miss Ruth Kilpatrick to Frank Stone, June 15th; the bridge party on Thursday given by Mrs. Tom F. Reese, honoring Miss Kilpatrick with Mrs. John D. Waring, Jr. of Mathis, the week's activities were ended by the miscellaneous shower tendered Miss Kilpatrick by Mrs. H. N. Goodson and Mrs. A. R. Long at the home of the former.

The guests were received at the door by Mrs. Will Carpenter, who introduced them to the receiving line, which included Mrs. H. N. Goodson, Mrs. A. R. Long (formerly Elizabeth Scurry), Miss Kilpatrick, Mrs. Ed Onstot (formerly Miss Janice Goodson), Mrs. W. W. Kilpatrick, and Mrs. D. Charles Clarke.

The reception hall was decorated in baskets of dahlias, vases of zinnias, and bowls of nasturtiums. Miss Lella Brightman presided at the Victrola; Mrs. R. W. Scurry invited the guests into the vast room, which was a bower of pink roses, and at a beautifully decorated table, Mrs. Earl Taylor (formerly Miss Johnnie Smoot) presided over the bride's book.

After registering, the guests were ushered into the dining room in which a color scheme of green and white was featured. The dining table was laid in a Spanish lace scarf with a center piece of white roses while in every conceivable place were vases of daisies. Mrs. W. C. Chilton and Mrs. Ira Clemons, assisted by Misses Kathleen Greene and Geraldine Kilpatrick served angel food squares and pineapple ice in fruit punch. The plate favors were bride dolls.

The guests were then seated in the living room which was gorgeously decorated in red gladiolas, red and gold dahlias and nasturtiums.

When all had arrived, the honoree was escorted to the chair of honor which was draped in a Mexican serape and the brunette beauty of Miss Kilpatrick was further enhanced by the mass of red and gold dahlias placed just back of her head.

With Mrs. Ed Onstot graciously acting as toast mistress, the following program was given:

Vocal solo, Mrs. Howard Kilpatrick accompanied by Mrs. James Clarke; Reminiscences, Mrs. Earl Taylor; Saxophone solo, Mrs. Ed Onstot; A Motor Romance, Mrs. E. W. Scurry; A Pic for the Groom, Miss Laura Lu Waring; A Test for the Bride and a Welcome into Matrimony, Mrs. Ed Onstot.

At the conclusion of the program, some one knocked at the door and asked for "Ruth" and Herbert Goodson, attired as a sailor and bearing a duffle bag entered, saying he was just off his ship and in response to many requests had brought her gifts from many lands. The gifts were then opened and inspected.

About forty guests registered and among the out-of-town guests were Mesdames James Clarke of Guthrie, Oklahoma; Mrs. J. D. Waring, Jr. of Mathis; Mrs. Earl Taylor of Austin; Mrs. Leverette Little of Sipe Springs; Mrs. Ed Onstot of George town; Mrs. A. R. Long of McKinney; Mrs. Neol P. Wilkinson of Crystal City; and Misses Laura Lu Waring of Cisco and Catherine Clarke of Brownwood.

HAS STRENGTHENED HER ENTIRE SYSTEM

"Two years ago specialists in Louisiana advised me to come to San Antonio to recuperate from a bad spell of malaria, which had poisoned my system and left me

Mrs. E. Prudhomme

in a run-down condition. My complexion and eyes had turned an unhealthy, yellow. Everything I ate gave me trouble. Instead of strength Constipation kept my system from throwing off poisons. I was almost hopeless.

"Sargol did more for me in less than a month than all the medicine I used in five years. My friends say they have never seen such a remarkable change in anyone in such a short time. Every trace of indigestion is gone. My food gives me the proper nourishment and I have gained five pounds. I feel good all the time.

"Sargol Soft Mass Pills overcome constipation in a natural way. They not only have rid me of constipation but have driven the malarial poisons out of my body.

"I take the greatest pleasure in telling my friends about it."

The above statement was made recently by Mrs. E. Prudhomme, 616 West Woodlawn, San Antonio, Texas, who is highly regarded by her friends and neighbors.

Sargol may be obtained in Comanche from Wm. Reese Drug Co., Inc., and Durham Pharmacy; in Proctor from R. F. Stone; in Gustine from I. Sadler and Co.; and in Sipe Spring from Smith's Drug Store.

COMANCHE WOMAN CANS PEAS

Every well informed person within Comanche county has probably heard of the Bowdoin Canning Company which has handled the Comanche blackberry crop this year, but comparatively few people know that within a few miles of Comanche there are being packed annually hundreds of cans of vegetables, meat, and fruit by a widow and her daughter. "Comanche Brand" green black-eyed peas is the best known product of this plant, and last year fifty four dozen of these were sold to one firm in Comanche and they were disposed of so readily that 5000 cans have been contracted for to be delivered during the present season.

The plant is being operated by Mrs. M. E. Owen and her daughter, Miss Rena, of the Harmony community on their eighty-two acre farm.

The apparatus up to the present season has consisted of a steam pressure cooker and sealer set up in the kitchen of the Owen home, but in order to take care of the increased business during the present season, several steam pressure cookers will be used and a furnace is being erected on which to do the cooking.

For the past few years several of the neighbors have been helping Mrs. Owen and her daughter during the canning season and this year nearly every lady in that immediate neighborhood has made arrangements to assist in the work.

Mrs. Owen, when interviewed at her home said that she put up her peas in two and three pound cans which usually sold at the retail stores at fifteen and twenty five cents per can. These cans bear an attractive label showing that they are packed at Comanche, Texas by Mrs. M. E. Owen. The peas are all of the black-eye variety and are packed green, about half being snapped and the other shelled.

Mrs. Owen says that she will start her plant this year about the last of this month and hopes to keep it running until frost, turning out several dozen cans each day. In order

to do this, Mrs. Owen planted her first peas in March, and about every two weeks plants another patch in order to keep them maturing all during the canning season. Mrs. Owen is not attempting to raise all the peas she will need for the plant this year, but most of them are being grown by her neighbors, who will all gather at the Owen home after the season begins, to help with the pack. Shelling of the peas is a slow, tedious job, Miss Rena says, and that probably accounts for the reason, she thinks, why they are not generally canned on a larger commercial scale. But the drudgery of the work is largely forgotten at the Owen plant, according to her mother, who says that when the neighbors gather a jolly time is enjoyed, rivaling that pictured at the old corn huskings and log rollings.

The fact that the peas are partly shelled helps keep their original flavor, Miss Owen says, and the canned peas have often been pronounced by those who have used them to have a flavor even superior to those fresh from the garden. Jim Jones of the Higginbotham Grocery Department says that several cases were sold to traveling men of Dallas and other cities last year and have already placed orders for more of Mrs. Owen's peas for this year, and he predicts that from a small beginning Mrs. Owen's name may become prominently connected with quality canned peas in this section of Texas.

Mrs. Owen supervises the canning of the peas and Miss Rena, a graduate of Bryan High School of Dallas, attends to the marketing.

Mrs. Owen says that she first became interested in canning in 1917 while living in Dallas when she was taught the art by the Dallas County Home Demonstration Agent and that she helped the Dallas agent in a food conservation program in that county during the War when she not only put up hundreds of cans of her own fruit and vegetables but assisted the club girls of the county in doing so. Mrs. Owen, while specializing in

canning peas, also cans beans, cabbage, and other vegetables as well as meat. It was not until 1925 when her other vegetables failed on account of a drought, that she began to devote most of her attention to peas.

Mrs. Owen says that she lived in Dallas for twelve years but that God never intended her to be a city woman and that among the happiest days of her life have been those of the last eight years which she has spent in Comanche county, which she considers one of the best counties in Texas.

BAPTIST CHURCH NOTES

The church will conduct a revival meeting beginning next Lord's Day and continuing through June 23. While the meeting is to last only eight days, we hope and pray that it may be a meeting that will please God and bless not only the members of the Baptist church but friends of all church and friends of no church.

The pastor will do the preaching in this meeting. He will not cut any extra didoes, neither will he pull any outlandish stunts. If God will only give him a message, it will be his delight to bring that message to the people of one of the best towns in Texas. However wise the preacher may be, however fresh the sermon, it will do you no good unless you are there to receive it. I crave the prayers and co-operation of all the good people of Comanche and the country round about us. We extend a most cordial invitation to non-church people. The meeting cannot possibly harm you, we shall do our best that it may prove a blessing to you.

Mr. Joe Trussell will have charge of the music. Not only is this good man one of the very best song leaders, he is also one of the pure in heart Christian gentlemen. To hear him once, you will be sure to want to hear him again. Since music plays such a wonderful part in a meeting may I not ask and expect all sing-

ers to assist us in the singing. I recognize the fact that some of the most saintly saints the world has ever known, were not in the Baptist faith. While I am positively sure that we hold to the truth, and nothing but the truth, I am just as conscious that we have no monopoly on the truth.

Some one is dead sure to say, "is is too warm to attend church." It is warm for the lawyer yonder at the bar, it is warm for the teacher and student yonder in the school room, it is warm for the person yonder at the desk in the business office, it is warm for the person out on the farm. Why call yourself a soldier of the cross and want an electric fan and a bowl of ice cream and a cool place to sit? The biggest business in all the world is the business of getting people saved.

The world is sick and tired of the cynic. Fault finding is worked over time. Distrust is drying up the souls of civilization. Mote hunters are far too numerous. There never has been a place in the church for a groucher. God give us hearts of love, and lips of praise. Better that I had been born blind and dumb than that, that I have eyes and tongue with which to scoff and scorn.

GORDON BARNETT, Pastor.

HONORING MISS KILPATRICK AND MRS. WARING

Mrs. Tom F. Reese was hostess to the members of the Tuesday Club and a number of friends on Thursday afternoon, June 6, honoring Mrs. John D. Waring, Jr. of Mathis and Miss Ruth Kilpatrick.

Quantities of lovely colorful dahlias, rose, and gladiolas made a charming background for the tables to which quaint score cards assigned the guests.

After the usual interesting games, Mrs. Joe Tupin having high score for the club, received an artistic ivory case; Mrs. Cyril Greene was consoled for low score with an aluminum egg and beet slicer. Mrs. Joe Hamilton having high score for guests was given a pretty Deauville handkerchief, while Mrs. Inez Palmer received the consolation for guests, a painted candle stick with candles. Mrs. John D. Waring, Jr. and Miss Ruth Kilpatrick, honor guests, received respectively an antique jewelry set and flower curtain tie-backs. Mrs. T. J. Williams receiving the cut prize for tea guests, presented it to Mrs. Noel P. Wilkinson as the most recent bride.

Mrs. Reese, assisted by Mrs. William Chilton and Mrs. Hardy Slider, served grape punch, Neapolitan cream, angel food blocks, and nuts and candies in rose nut cups.

Out of town guests included: Mesdames C. G. Whitten of Abilene, John D. Waring, Jr. of Mathis, Lloyd Mackey of Colorado, Park Huntington of Brownwood, and Mrs. Noel P. Wilkinson of Crystal City.

Seat covers, tailored to your car, cheaper and better, let us show you. Howard Kilpatrick.

S. S. CLASS HAS PICNIC

A picnic was enjoyed by the members of the Epworth League and the Senior Sunday School class of the Methodist Church last Thursday evening when they went to Fleming Park for an outing.

In addition to Miss Clarissa Emert, teacher of the Class, Mesdames Clay Frost and Dan Killian accompanied the young people.

A number of outdoor games and a picnic lunch were features of the occasion.

HESTER FLOWERS

Wine Hester and Miss Bessie Mae Flowers, both of Brownwood, were married in Comanche Friday afternoon at four o'clock by Justice D. C. Dingus in his office.

Among the dozen or so who witnessed the ceremony were a number of Brownwood young men and ladies, including Mr. and Mrs. Henry Sapp who were married in Brownwood a few hours earlier in the day, Mrs. Sapp being Miss Geneva Hester before her marriage and the sister of Wine Hester.

Tom Pulliam returned to his home in Comanche last week from Trinidad, Colorado, where he has been attending the Junior College. Pulliam was one of the leading athletes of the school and plans to return next fall and will be a member of the football team. Pulliam was captain of the Indians in 1927.

NOVEL SHOWER

A novel shower was given this week for Mrs. Frank Atwood, a June bride, who was Miss Francis Cash before her marriage.

A number of friends gathered at a local store Monday and arranged a lovely box in pink and white colors in which they deposited a number of miscellaneous gifts for the bride.

Soon the sponsors of the shower were busy calling other friends over the telephone telling them of the box and by night many more gifts had found their way into the chest. Other presents were received during the week, making a well filled box for Mrs. Atwood when later in the week she was lured into the store where she found the box bearing her name.

CARD OF THANKS

We take this method of expressing our thanks and appreciation to those who assisted us in caring for Mrs. S. J. Perkins in her last illness and burial and for the beautiful floral offerings.

Your kindness and expressions of friendship was a source of comfort to us in our sorrow and we pray God's Blessings upon each of you.

Her Children, Grandchildren, and Great Grandchildren.

ON COLLEGE HONOR ROLL

The following Comanche County students were on the Honor Roll of John Tarleton College for the last term as announced Friday: Edna Ruth Harris of Comanche, C. M. Caraway, Jr. of Comyn, Carl Brum-below and Deo Burleson of De Leon, Neva Cox, Myrtle Howell and Mary Robbins of Dublin, and Lena Boyd-ston of Energy.

M. ATWOOD BURIED WEDNESDAY

Manning Atwood, for over a quarter of a century a merchant of Comanche, died at his residence in Comanche at 8:35 p. m. Tuesday following an illness which forced him to retire from his business two years ago.

Services were conducted at the Central Christian Church by Rev. J. D. Smoot assisted by Rev. R. J. La-Prade, following which interment was made at the Oakwood Cemetery.

M. Atwood was born in Smith County, Texas, March 9, 1862, where he grew to manhood. May 24, 1896, he was married to Mrs. Mag-gie Smith King of Warren, Texas, where they continued to make their home for two years, moving to Comanche in 1900.

Mr. Atwood was converted in 1914 at the bedside of his twelve years old daughter, Minna, and later united with the Methodist Church. He has read the Bible through twice since February, Mrs. Atwood said.

In addition to his widow, Mr. Atwood is survived by a step-daughter, Mrs. Mamie Bellah of Los Angeles, California, and the following children: Mesdames J. H. Arthur, H. E. Denny, Jack Rambo and Thurston Atwood of Comanche and E. B. Atwood of San Angelo and Frank Atwood of Brownwood. He is also survived by the following brothers and sisters: Jess Atwood of Comanche, G. B. Atwood of Plainview, and Mrs. R. L. Cooper of Dallas, Mrs. Horace Reynolds of Gorman, Mrs. Annie Cherry of Lubbock, Mrs. Ara Smith of Long Beach, California, Mrs. Jimmie Meadow of Erick, Oklahoma, and Mrs. Ida Childers of Grimes, Oklahoma.

BARBEE DODSON

A wedding of interest to Comanche people was solemnized in Hamilton Saturday evening at 7:30 o'clock when Miss Mary Dodson of Comanche and John Barbee of Dublin were married at the home of the bride's sister, Mrs. W. M. Calhoun, the ceremony being performed by Rev. C. C. Klingman of Electra.

The room in which the marriage occurred was appropriately decorated in summer flowers and pot plants for the occasion where a number of friends and relatives including members of the immediate family of both the contracting parties were present.

Following their marriage, Mr. and Mrs. Barbee were entertained at the home of the bride's sister in Hamilton and later they visited for a few days with Mr. Barbee's parents.

Mrs. Barbee is the youngest daughter of Mrs. G. A. Dodson of Comanche and for the past several years has been connected with the Krest store.

Mr. Barbee is the son of Mr. and Mrs. J. F. Barbee of the Edna Hill community, where for the last two years she has been principal of the public school.

CARMICHAEL-MEDFORD

B. L. Carmichael and Mrs. Nona Medford were married in Brownwood Thursday afternoon, June 6, at three o'clock at the Court House by Justice Perkins, Mr. and Mrs. W. T. Lester of Comanche witnessing the ceremony.

Following their marriage Mr. and Mrs. Carmichael returned to Comanche and went immediately to Mr. Carmichael's farm three miles south-east of Comanche where they will make their home.

Mrs. Carmichael is the niece of W. T. and Pat Lester of Comanche and had been making her home with them several months. She is also a grandchild of the late B. F. Gamel, for many years a citizen of Gustine.

Badly Run-Down

"Six years ago, I
was very much run-
down," says Mrs.
Olympia Kight, of
Lovett, Ga. "I did
not sleep well, and
was weak and rest-
less. I dragged
around the house
with not enough
strength to do my
daily tasks. I wor-
ried a lot, and this
disturbed state of
mind reacted on my health."

"I had often read of Cardui,
so I thought I would try it. I
soon began to improve after I
had taken Cardui for a while."

"It was astonishing how
much I picked up. I slept bet-
ter, my appetite improved, and
that awful dragging-down feel-
ing left me."

"I was so much better that
I continued taking Cardui un-
til I felt perfectly well."
Cardui has been used by
women for over 50 years.

Doctors Disagree

When children are irritable and
poorish, grind their teeth and sleep
restlessly, have digestive pains and dis-
turbances, lack of appetite, and have
itching eyes, nose and fingers, doctors
will not always agree that they are suf-
fering from worms. Many mothers, too,
will not believe that their carefully
brought up children can have worms.
The fact remains that these symptoms
will yield, in a great majority of cases,
to a few doses of White's Cream Ver-
mifuge, the sure expellant of round
and pin worms. If your child has any
of these symptoms, try this harm-
less, old fashioned remedy, which
you can get at 35c per bottle from

The Chevrolet Red "O.K. That Counts" Tag Protects Your Used Car Purchase.

Every reconditioned car we offer for sale is
identified by means of the Chevrolet red
"O.K. that Counts" tag. This tag is the
purchaser's assurance that the car to which
it is attached has been gone over carefully
by expert mechanics—that it has been
thoroughly reconditioned—and that the
price is based on the car's actual ability to
render service.

Due to the overwhelming popularity of the
new Chevrolet Six, we have on hand at this
time an unusually large group of these
"O.K.'d" cars. Come in! You are certain
to find the car you want—at a price that
will save you money. Make a small down
payment and drive your car away!

ORDINARY pressing methods cannot remove offensive perspiration odors. Valetor pressing—using regulated steam pressure—removes perspiration odors quickly without harming the most delicate fabrics.

Valetor pressing also kills germs, destroys moth eggs and larvae, raises the nap of the fabric, and makes clothing look and fit like new.

Send your clothes here to be pressed the modern Valetor way.

"IT IS WONDEFUL
TO FEEL LIKE I DO"

"I owe my present health to Orgatone after suffering 20 years," says Brownwood contractor

"For more than 20 years before I began taking Orgatone, I was in a very bad condition and got to where my work was nearly a dread to me," said Harry Alderson, of 591 Victoria, Brownwood, Texas who is of this section and is a very well known prominent citizen and is a gravel contractor.

"When I began taking Orgatone," said Mr. Alderson, "my system seemed to be all run down. I had no appetite and couldn't eat much and was getting weaker and losing strength every day. I would have a puffed up, bloated feeling, and gas would bother me so bad at times I could hardly get my breath. My nerves were simply shattered to pieces and I had awful headaches and was almost a complete physical wreck. I felt tired and worn out all the time, and never had any energy. My liver was in a very bad condition and this caused pains in my back and sides. I had a bad case of constipation, and had to take something most all the time."

"A relative of mine recommended Orgatone to me, and I have been taking it ever since. I feel much better than I have in years, and have more energy and life about me. I enjoy what I eat and do not have that full, bloated-up feeling and the gas has quit forming on my stomach. I am entirely relieved of my constipation and in fact, I just feel rejuvenated all over. Orgatone is such a good medicine and I take great pleasure in recommending it to anyone, for I owe my present good health to it."

Genuine Orgatone may be obtained in Comanche from Paris Smith Drug Co.

NEW MARRIAGE
LAW EFFECTIVE

The new marriage law as passed by the last legislature became effective Thursday of this week, according to Miss Clyde Coan, County Clerk, who explained the new procedure as follows:

One of the parties to the proposed marriage must visit the county clerk's office and make application for a marriage license. The clerk will examine the party or parties under oath and will reduce their statement to writing which will include a statement as to their age and address. In case one of the parties is absent, some person will have to swear as to the age of the absent one.

The application must be made not less than three full days nor more than thirty days before the license is to be issued. As soon as the application is made the county clerk will enter the information in a book entitled "Notice of Intention to Marry."

After three full days the license can be issued provided the man presents a certificate from a reputable physician as to his physical condition.

As the book of applications is open to inspection by the public, this will make elopements more difficult.

The fee for the marriage license will be \$1.50 as heretofore, but additional fees for the application together with that of the medical certificate will increase the cost of getting married approximately ten dollars, according to the clerk.

J. W. Mann and Sam Friedson, cattlemen of Waco, were in Comanche on business Tuesday.

Rev. and Mrs. S. D. Lindsey and children have returned from Lampasas where they were called on account of the death of a brother of Mrs. Lindsey.

Mrs. Jim Jones has returned from Norton where she attended the marriage of her youngest sister.

Charlie Hoffman and family were Fort Worth visitors Sunday. Mrs. Hoffman and son, Lee, and Harold remaining over, the latter undergoing an operation at a sanitarium in that city Monday.

CAR REGISTRATIONS NOW
EQUAL ENTIRE YEAR '28

Automobile registration in Comanche County had reached 3667 Saturday June 8th according to Homer Palmer, Deputy Collector, who said the number set a high record for this time of the year and was more than the entire number registered during 1928.

Two hundred and forty trucks, a few less than the total of last year have been registered according to Mr. Palmer. With nearly seven months of the year remaining including the three fall months when automobile buying is the heaviest, Mr. Palmer predicts that the total number of cars registered will exceed four thousand.

A number of cars should be registered during July, as half of the year will have passed by then and cars may be registered for the remainder of the year for half price provided the owner swears it has not been driven on the public highway.
